

Equidays South Island Edition

Equidays South Island Edition will bring a taste of the major annual Equidays event to Christchurch in October 2017.

Only a week after the Mystery Creek event takes place, the Canterbury Agricultural Park will be transformed into an international indoor arena/exhibition space complete with many of the Equidays favourites.

Most of the international clinicians that will feature at the main Equidays event will join the team on the road and present during the two-day Christchurch show.

A collection of exhibitors, including a Food Hub, will attend and the ample stabling facilities on site will give horses comfortable accommodation throughout.

Two outdoor arenas adjacent to the indoor will be home to more clinicians who are looking forward to bringing their knowledge and passion to the exciting new event.

21-22 October, Canterbury Agricultural Park

Event Hours 10am - 5.30pm

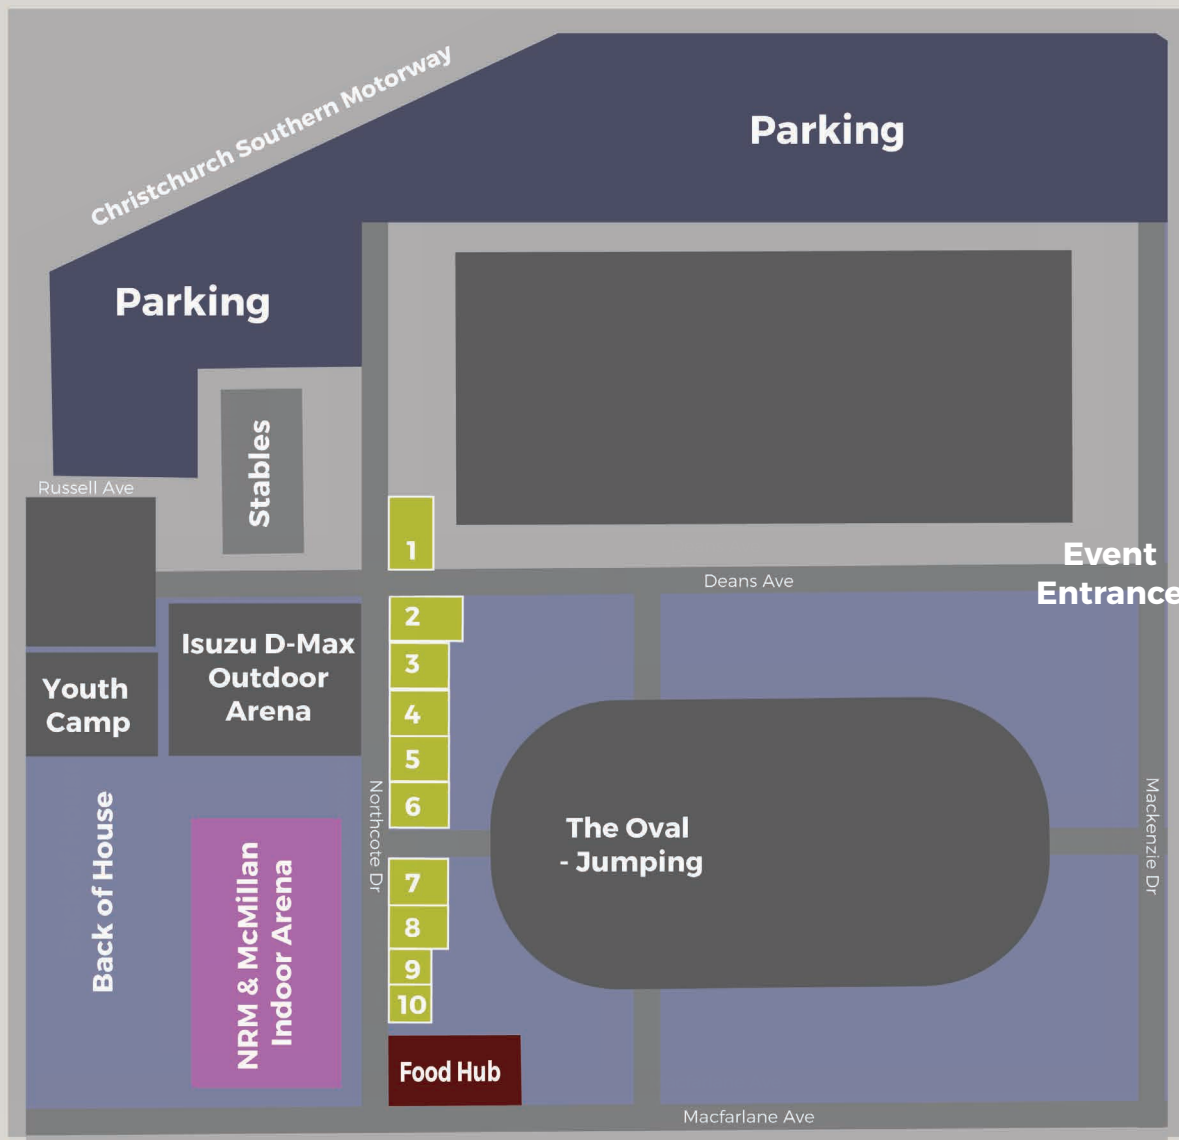

Indoor sites

The international standard indoor arena is sure to draw crowds with its busy timetable of clinics, demonstrations and entertainment over the two days.

The spacious, proven layout of the indoor exhibitor sites makes pedestrian flow easy and these sites are always highly sought after. Sites range from 6m² to 27m² and include power and partitions.

The exhibitor space will be blocked off from the seating area each night to ensure security of the sites.
